2021 Spring Boys & Girls NJSIAA/M-F Athletic/American Athletic Track & Turf Track & Field Outdoor Track Championships

The NJSIAA reserves the right to adjust, change or cancel dates, times and locations for all NJSIAA State tournaments. Schools entering the tournament will not be granted a change of date/time due to any conflicts with school trips, proms, banquets, SAT's, graduation, and the like. Member schools not willing or able to comply with all tournament regulations should not enter the tournament.

COVID-19 Postponements - Please be advised that The NJSIAA will not make any changes, adjustments, or postponements to any round of its post-season tournament for COVID related reasons. If a school is unable to play on the scheduled day, then the school's opponent will advance in the tournament and no exceptions will be made. In Addition, no season ending date will be extended beyond the dates previously announced. Any school seeded in any NJSIAA tournament agrees to, and respects, these conditions.

To promote fairness in competition and for the health and safety of student-athletes, no member school will be eligible to participate in any NJSIAA Championship Tournament if it has violated the NJSIAA Constitution, Bylaws, Rules, Regulations, Guidelines, Policies, and Procedures. In addition, schools must follow the sports-specific tournament regulations for each NJSIAA tournament they are entering.

Coaches must have a copy of these regulations as well as a copy of rule Modifications (if any) for this tournament available at all matches. Copies of these documents are also available on the NJSIAA website.

The NFHS Winter/Spring Rule Modifications remain as published 9/2020. However, there is a Spring Track Rules Committee meeting on 4/8/21 that I will be attending. I will keep you posted on any outcomes.

A successful entry into the tournament (assuming school is a member in good standing and in compliance with all the rules and regulations stated here and in the NJSIAA Constitution, By-laws, Rules and Regulations) requires the school to do two things:

No Paper Entries---Everything is on line.

B. Rosters

Check 24 hours after submission of your roster, the following website to make sure your roster(s) has/have been received and that all the names are included and spelled correctly:

WWW.MILESPLIT.COM . Please look over the grade level of your contestants.

NO CHANGES can be made to the rosters on Meet Day. You have up to Midnight on May 24th, 2021 to make changes in your entries 2021 without penalty.

II. SECTIONALS – Entry must be on line by May 24, 2021

A. Dates & Times– Publics :

Friday 6/4/2021 3:30PM

Saturday 6/5 /2021 9:30AM

B. Girls start the order of events on ODD years, boys on EVEN years.

C. If Fully-Automatic Timing is being used, the 100 Dash, and High Hurdles will be conducted as Trials and Finals only (i.e. no quarterfinals, semifinals). The fastest times (**9 on a six-lane track, 8 on an eight-lane track**) will advance. In the absence of F.A.T., these events will use quarterfinals and/or semifinals if necessary. **On a six lane track, if 12 or fewer competitors report to the trials, the trials will be skipped and a 2-sectional final run in the FINALS time slot. 16 or fewer on an 8-lane track.**

D. RULES – 2020 National Federation Track and Field Rules with NJSIAA options as stated in the NJSIAA Constitution and By Laws shall govern the running of these meets. All NJSIAA eligibility rules will be in force.

E. Long Jump and Triple Jump will use the “open pit” format.

NOTE: The triple jump and long jump will be run as open pits **one group at a time** at the SECTIONAL LEVEL. When the event is called, **ALL** contestants for the Group called **MUST** sign in and must get “their steps and run-throughs.” Once the competition starts, only runbacks (from the board back onto the runway) are permitted. No “run-throughs” (into the pit) are permitted. When the pit is closed, the jump judge will tell the meet director how many jumpers will be competing. The meet director, in conjunction with the Field Referee, will then establish the amount of time that will be allotted for trials. Each jumper will receive three trial attempts which must be completed within the announced time period of the open pit. The jump judge will assign each jumper a number which the jumper must wear on the **left front** of his/her jersey. Before a jumper starts his/her attempt, he/she must tell the jump judge his/her number and in the case of the triple jump, tell the judge which take-off board he/she will be using **BY PLACING A CONE NEXT TO THE APPROPRIATE TAKE OFF BOARD.**

Once the eight (8) finalists have been established, the Field Referee will have announced who the finalists are and when the finals will begin. The finals will be conducted normally. The Meet Director and/or Field Referee may adjust the time allotted for the trials as conditions may warrant.

F. Shot Put, Discus, Javelin

Flights will be arranged as heats are on track, i.e. best flights will throw last. In the Shot, Discus, and Javelin, each contestant will receive three (3) attempts. The best eight (8) contestants will be given an additional (3) attempts. The eight (8) finalists will be re-seeded worst to best before the start of the final three (3) attempts.

- G. In entry-level meets, all contestants will have their first legal attempt measured; thereafter, in order for a female contestant to receive a measurement at entry meet level she must put the shot 27 feet or more, throw the discus 75 feet or more, toss the javelin 75 feet or more, jump 26 feet or more in the triple jump, or jump 12 feet or more in the long jump. A male contestant must put the shot greater than 39', toss the discus and throw the javelin more than 105 feet, triple jump more than 32', and long jump greater than 16' in order to receive a measurement.
- H. **Time excused from a field event to participate in another event.** The underlying principle behind these procedures is to make sure the active contestants in any field event are not held up more than ten (10) minutes by inactivity in the event. **The following is the procedure to be used in all meets:**
1. Competitor must receive permission to leave the event from the event judge who is to record the time the competitor was excused.
 2. If requested by the competitor or the competitor's coach, the judge may allow the competitor to take trial(s) out of turn before being excused.
 3. **High Jump and Pole Vault:** When competitors have been excused, and all the available competitors have missed or cleared the existing height, the event judge records the time and stops the competition. If the excused competitor(s) do(es) not return in ten (10) minutes, the event judge will ask the Meet or Field Referee for permission to raise the crossbar. If the referee permits, the crossbar will be raised to the next height and the excused competitor(s) will be automatically passed to the new height.
 4. **Shot, Discus, Javelin, Long Jump, Triple Jump:** When the last competitor available in the final flight (or in the case of the Long Jump and Triple Jump the open pit time has expired) has completed his/her final trial attempt and there are excused competitors who have yet to return to complete their remaining trial attempts, the judge will record the time. If, after ten (10) minutes, there are excused competitors who still have not returned, then the event judge will ask the Meet or Field Referee for permission to determine the finalists without the excused athletes receiving any remaining attempts. If the event is in the finals and all present competitors have completed all of their attempts, after ten (10) minutes, the event judge will ask the Meet or Field Referee for permission to end the event and score it without the excused competitor(s) receiving any remaining attempts.
 5. The Meet Referee will make the final determination on any appeals resulting from these procedures.
- I. **ELEVATION OF CROSSBARS**
Starting heights for the high jump and pole vault will be determined by the meet directors in conjunction with the Meet and/or Field Referee(s), depending on the information supplied by the coaches. They will also determine how many double elevations, if any, there will be in each event.
- J. **EQUIPMENT**
1. **Uniforms** – National Federation Rule 4, Section 3, Articles 1-2-3-4-5-6-7 **WILL BE ENFORCED.**
 - a) Each contestant must be properly attired in the school's issued track uniform during the meet. Reminder: Jerseys must be tucked into the running shorts. BARE MIDRIF TOPS ARE NOT ACCEPTABLE. **Jersey shoulder straps are not to be pinned or taped together.**

- b) Watches are NOT PERMITTED to be worn. RELIGIOUS/MEDICAL ALERT MEDALS MAY BE WORN.
 - c) Batons, *Javelins, Discus and Shots: Schools must provide their own batons, *javelins, discus, and shots for all meets. Shots, Discus, *Javelins, and Batons WILL BE CHECKED AT ALL SITES FOR LEGALITY.
***Reminder: Javelins MUST be rubber-tipped.** These javelins may be seven (7) centimeters shorter than the metal-tipped javelins. (213 centimeters minimum length).
2. Shoes
- a) Runways/Tracks – It is each coach’s responsibility to check with the Site Director to determine if and what spikes are permitted.
 - b) Throwing Circles – Rubber-soled shoes must be worn on all throwing circles.
 - c) Running Surfaces – SCHOOLS ARE RESPONSIBLE FOR CHECKING WITH THE MEET DIRECTOR OF A PARTICULAR SITE TO ASSURE THE WEARING OF PROPER SHOES. **All tracks used in the tournament require a maximum spike length of ¼”.**
3. Starting Blocks – Will be used ONLY at the **GROUP MEET AND MEET OF CHAMPIONS.** They will be provided!
4. **NOTE: When “California” starts are used, they will be ONE TURN STAGGERS.**

K. **Sectional Sites and Orders of Events**

Note: Order will be the same at all Sectional Sites. Please refer to rotation page.

Also Note: Those who plan to enter events starting at 3:30PM on Friday must arrive before 3:05PM to ensure they have enough time to be checked into these events.

Those who plan to enter events starting at 9:00AM on Saturday must arrive before 8:35AM to ensure they have enough time to be checked into these events.

COMPETITION WILL BEGIN PROMPTLY AT THE LISTED TIMES.

L. CONTESTANT NUMBERS – ALL MEETS

- 1. A different **computer NUMBER WILL BE ASSIGNED IN SECTIONAL AND GROUP MEETS to each athlete.**
- 2. **These numbers must appear on all field cards which will be preprinted for those who enter athletes for Sectionals on NJ.Milesplit.com before midnight May 27th for non-publics and for public schools**
- 3. **Seeding Procedures** for the Sectional, the State Group Championships, and the State Championships have been established by the NJSIAA Outdoor Track Committee in cooperation with the Meet Directors. When an event has been declared closed, there will be no additions or re-seeding. In all meets (Sectional, Group Meets, and State Championships) the best seeded sections will run LAST. The best flights in the throwing events and the Long Jump and Triple Jump will throw/jump last, with the best eight (8)

making it into the finals where they will be re-seeded and thrown/jumped in the order worst to best.

- a. **Seeding in the trials of the 100m Dash, 100m Hurdles, and 110m Hurdles will be on times as per rule when advancement is based on the fastest "S" seeded trial times to the finals. Keep in mind that, with the current covid procedures, the heat sizes will be reduced to half the capacity.(ie. 8 lane track 4 contestants per heat.)**
 - b. **All seeds must be done at the correct distance on 400 meter tracks in meets involving five or more teams of the same gender.**
 - c. **Only fully automatic times will be accepted.**
 - d. **Assuming coaches have entered their athletes in their appropriate events on nj.milesplit.com, they will be seeded in both field and running events which will indicate the best time/height/distance for the current season, based on Milesplit Rankings.** On meet day coaches may not change entry except to down seed with permission.
 - I. **The relay teams/contestants will check in with the clerk (or field event judge) when they check in for their events. Heats (or flights in field events) will be determined. Be sure to list alternates on mile split entry in case team qualifies for the next round.** If no time is provided, the relay team/contestant will not be seeded (NT). Seeding for semifinal heats will be determined by time in the trials. **All rounds will be fully automatic timed.**
 - II. **Runners will advance on time. The 8 fastest (9 on a six-lane track) from the trials will advance to the finals. [On 6-lane tracks, the finals will be run in two sections: the first section with the slowest 3 qualifying trial times, and the 2nd section with the six fastest qualifying trial times, unless 12 or fewer report for the trials. 14 or fewer on an 8 lane track. In that case, a 2 section final will be run in the finals time slot.]**
 - III. **IF SEED TIMES ARE NOT CONSISTENT WITH PERFORMANCES, THE REFEREE MAY DISQUALIFY THE COACH FROM THE MEET UNDER THE UNSPORTSMANLIKE CONDUCT RULE.** This could require the coach to make an appearance before the NJSIAA Controversies Committee where additional penalties may be imposed.
4. On the Relay entry the runners listed must be declared the actual competitors when the relay team is checked in. Those who listed eight (8) runners in Milesplit may change the order on the day of the meet simply by checking in with the clerk.
- *Reminder – alternates are not given competitor status unless they actually run so, for example, an athlete running 110H, 100, 200 and 400 can be listed as an alternate on a relay that day. If he runs on the relay, he must be dropped from another running event before it is clerked so as not to be in violation of the participation rule. The alternates are listed primarily for use on the next level. However, there are circumstances, such as, but not limited to, a referee-ordered re-run or a recall of a race before the 100 meter mark is reached, where a coach may use an alternate (with the referee's permission) before the re-run or re-start of the same race. Under no circumstances may an alternate be used once the race is in progress.

*If the relay team advances to the next round, any four (4) of the eight (8) names listed on the relay may run in the relay. If alternates **were not listed** on the original entry, substitutes **will not be permitted in later rounds**.*

NOTE: Being listed as an alternate does NOT count as an event for the athlete. It counts as an event only if the athlete actually runs.

5. Field Events. Names and computer numbers will appear on the field event sheet along with seeding information. Labels will be provided for field cards for High Jump, Long Jump, Triple Jump and Pole Vault ONLY.
6. Pole Vault Card.: **A REQUIRED POLE VAULT CERTIFICATION CARD. Even though this card may be pre-printed for those who entered them on Milesplit, the coach still needs to be complete the statement on the card dealing with vaulter's weight and weight rating of the pole the vaulter is using.**

M. ELIMINATION OF EVENTS

The NJSIAA Track Committee reserves the right to eliminate any event, the running of which is not warranted by a sufficient number of entries. The games committee will determine if there is a competition.

N. OFFICIALS

NON-PUBLIC SCHOOLS: INTRODUCTION

This is a one year “pilot” program that was proposed and approved.

Rationale:

The elimination of the NP Sectionals and replaced with a combined Sectional-Group Meet.

Why: due to the inability to secure sites for the North and South Sectional Meets for the Tuesday, Wednesday schedule because of either covid19 concerns, scheduling of field issues or simply not interested.

******Revised how will it work:***

After brainstorming with Robert of Mile Split, (about the merge process) and Karl Torchia, I am going to reverse my earlier decision about the scoring of the NonPublic Sectional/Group Meets.

1. We will have the North & South, A & B, Boys & Girls, compete “head to head” like a normal group meet.
2. We will score the group meet 1st, award medals to the top 6 in each event. Those 6 will advance to the MOC.
3. We will crown for 4 Group Champions, (NPA Boys, NP A Girls, NP B Boys, NP B Girls)
4. WE will then score the Sectional Meets based on the performances from the group meet.
5. We will award medals to the stop 6 scorers in each event from the sectional results.
6. We will crown 8 Team Champions.

When, Times, where:

The combined Sectional-Group Meet will be held the same weekend as the public group meets, Friday 6/11 and Saturday 6/12. Start Time Friday is 2:30pm, Saturday 10:00am.

As soon as our contract is signed with the host school it will be announced. It will be in CJ.

In addition, by having three group meet sites and the NP’s not with the Public Schools we will be able to spread out the number of athletes and spectators to further alleviate covid19 concerns.

Order of Events: The Track events will follow the normal two-day schedule (see following pages)

However, the Girls Jumps and Throws will be conducted on Friday and the Boys on Saturday. IF, by chance we need to stop the events on Friday, we will resume where we left off on Friday to begin Saturday morning. Refer to the following page for NP Field Rotation.

3. NO APPEALS WILL BE CONSIDERED PRIOR TO THE MEET FOR ADVANCEMENT TO THE STATE CHAMPIONSHIPS IN ANY EVENT.

VI. **GENERAL INFORMATION FOR ALL MEETS**

A. **COACHES/CONTESTANTS**

1. CONTESTANTS WHO APPEAR AT THE SECTIONAL, STATE GROUP, OR STATE CHAMPIONSHIPS WITHOUT THEIR COACH (OR CERTIFIED MEMBER OF THE FACULTY) WILL NOT BE ALLOWED TO COMPETE.

2) IF THE MEET SHOULD RUN AHEAD OF SCHEDULE, THEN IT IS THE RESPONSIBILITY OF THE INDIVIDUAL COMPETING TO REPORT WHEN HIS/HER EVENT IS CALLED. ALL COACHES SHOULD ADVISE THEIR CONTESTANTS TO BE PRESENT AT LEAST ONE (1) HOUR BEFORE EVENTS ARE SCHEDULED.

- B. **COACHES' RESTRICTIONS** (Coaches, please note.)
1. Coaches are not to enter the running area or the field event areas, during the course of the meet; and are not permitted to communicate with their contestants in these areas.
 2. It is preferred that only contestants remain in the paddock area; however, if a runner is needed in field event, a teammate, coach, or team manager may substitute for that runner so that the runner may leave to participate in a field event. This means that the "substitute" needs to remain in the paddock area to respond for the runner when the clerks call for that runner to give him/her his/her heat and lane assignments. The substitute's next responsibility is to transfer this information to the runner in a timely manner so that the runner knows where and when he/she will be running.
 3. Where it is feasible, coaching "boxes" will be established for the Pole Vault, High Jump and Triple Jump.
- C. **DISQUALIFICATION**
Participation by any ineligible contestant in any meet during the regular season results in forfeiture of all points achieved by the ineligible contestant.
- D. **USE OF FACILITIES**
Coaches are asked to instruct contestants to exhibit due consideration to the officials and administrators at the meet site. Coaches must make it ABSOLUTELY clear that the school officials do not want athletes walking through the gym or hallways in spikes. Your contestants are asked to take shoes off before entering school facilities.
- E. **POSTPONEMENTS**
In case of inclement weather on the day of the meet, coaches must contact their respective director(s) at least two (2) hours prior to the start of the meet.

If you have any questions, including cancellations of meet due to inclement weather, please refer them to your Sectional Site Director or:
